10/2025 – 01/2026

Word-Sense Disambiguation for Humanists

Development of an interactive training resource designed to let humanists perform Word-Sense Disambiguation with LLMs.

Link https://github.com/MikCil/semantic_annotation_training

04/2023 – CURRENT

The Foggia Occupator Dataset

Creation of a complete digitized collection of *The Foggia Occupator*, a newspaper published by American forces during the post-WWII occupation of Foggia, Italy. A thorough NLP-based textual analysis of the dataset is in progress.

Link https://github.com/MikCil/foggia_occupator

06/2025 – 01/2026

RhetGraphRAG

Development of a customised GraphRAG pipeline applied to Latin rhetorical texts.

Link https://github.com/MikCil/RhetGraphRAG

01/04/2025 – CURRENT

Veras Audire et Reddere Voces

Development of a prompting framework to reproduce prosodically-accurate Latin poetical speech through Text-to-Speech LLMs.

10/2023 – CURRENT

Web Radio and Podcasting for Fostering Media Literacy

Development of an educational framework for fostering media literacy in middle school students through digital content creation. Educational activities are currently being carried out in several schools.
